## SOULSINGING

“YOUR SOUL SONG IS BEAUTIFUL”

We welcome YOU to co-Create with us.

Our passion and gift is to translate your soul's unique vibration into words and music : Your SOUL SONG.

This beautiful SoulSinging process, in the moment and exact, is experienced and supported by all assembled.

Mina Kramvik, Aurora's Ring: “...when 'to B ensemble' captures a person's song...a space is created to rest in whether the song is meant for oneself or for someone else present.”

Shaeen Svanhede\*La Scala,” Det är som att se sig själv hela vägen in. Så fortsätter de att möta var och en av oss och tårar faller, hjärtan möter värme och vi delar i glädje den stund där vi blir sedda för vårt innersta sanna jag. Det är ett vackert möte som berör oss alla, både den som tar emot och dem som lyssnar”

Your song will be recorded in mp3 format for YOU
